FROM: Natwar M. Gandhi [signature]
Chief Financial Officer

DATE: September 16, 2004

SUBJECT: Fiscal Impact Statement: "Special Use Identification Tag Approval Resolution of 2004"

REFERENCE: Approval Resolution to be Introduced– No Number Available

Conclusion

Funds are sufficient in the FY 2005 through FY 2008 budget and financial plan to implement the provisions of the proposed approval resolution. No additional staff or resources will be required to implement the proposed rules.

Background

The proposed resolution would approve rules for the use of special purpose motor vehicle identification tags and dealer identification tags. The proposed rules are currently effective under an emergency agency rulemaking by the agency director of the Department of Motor Vehicles (DMV). Rather than have temporary tags issued by the automotive dealers, the rules will require tags to be obtained by the purchaser at the DMV for a cost of \$13 each. The new rules will also limit the number of dealer identification tags. The cost for dealer tags is \$53 a set. The rulemaking has been proposed to curtail illegal activity associated with temporary and dealer automobile identification tags.

Financial Plan Impact

Funds are sufficient in the FY 2005 through FY 2008 budget and financial plan to implement the provisions of the proposed approval resolution. The proposed legislation requires no additional staff or resources in order to implement the proposed rules.
